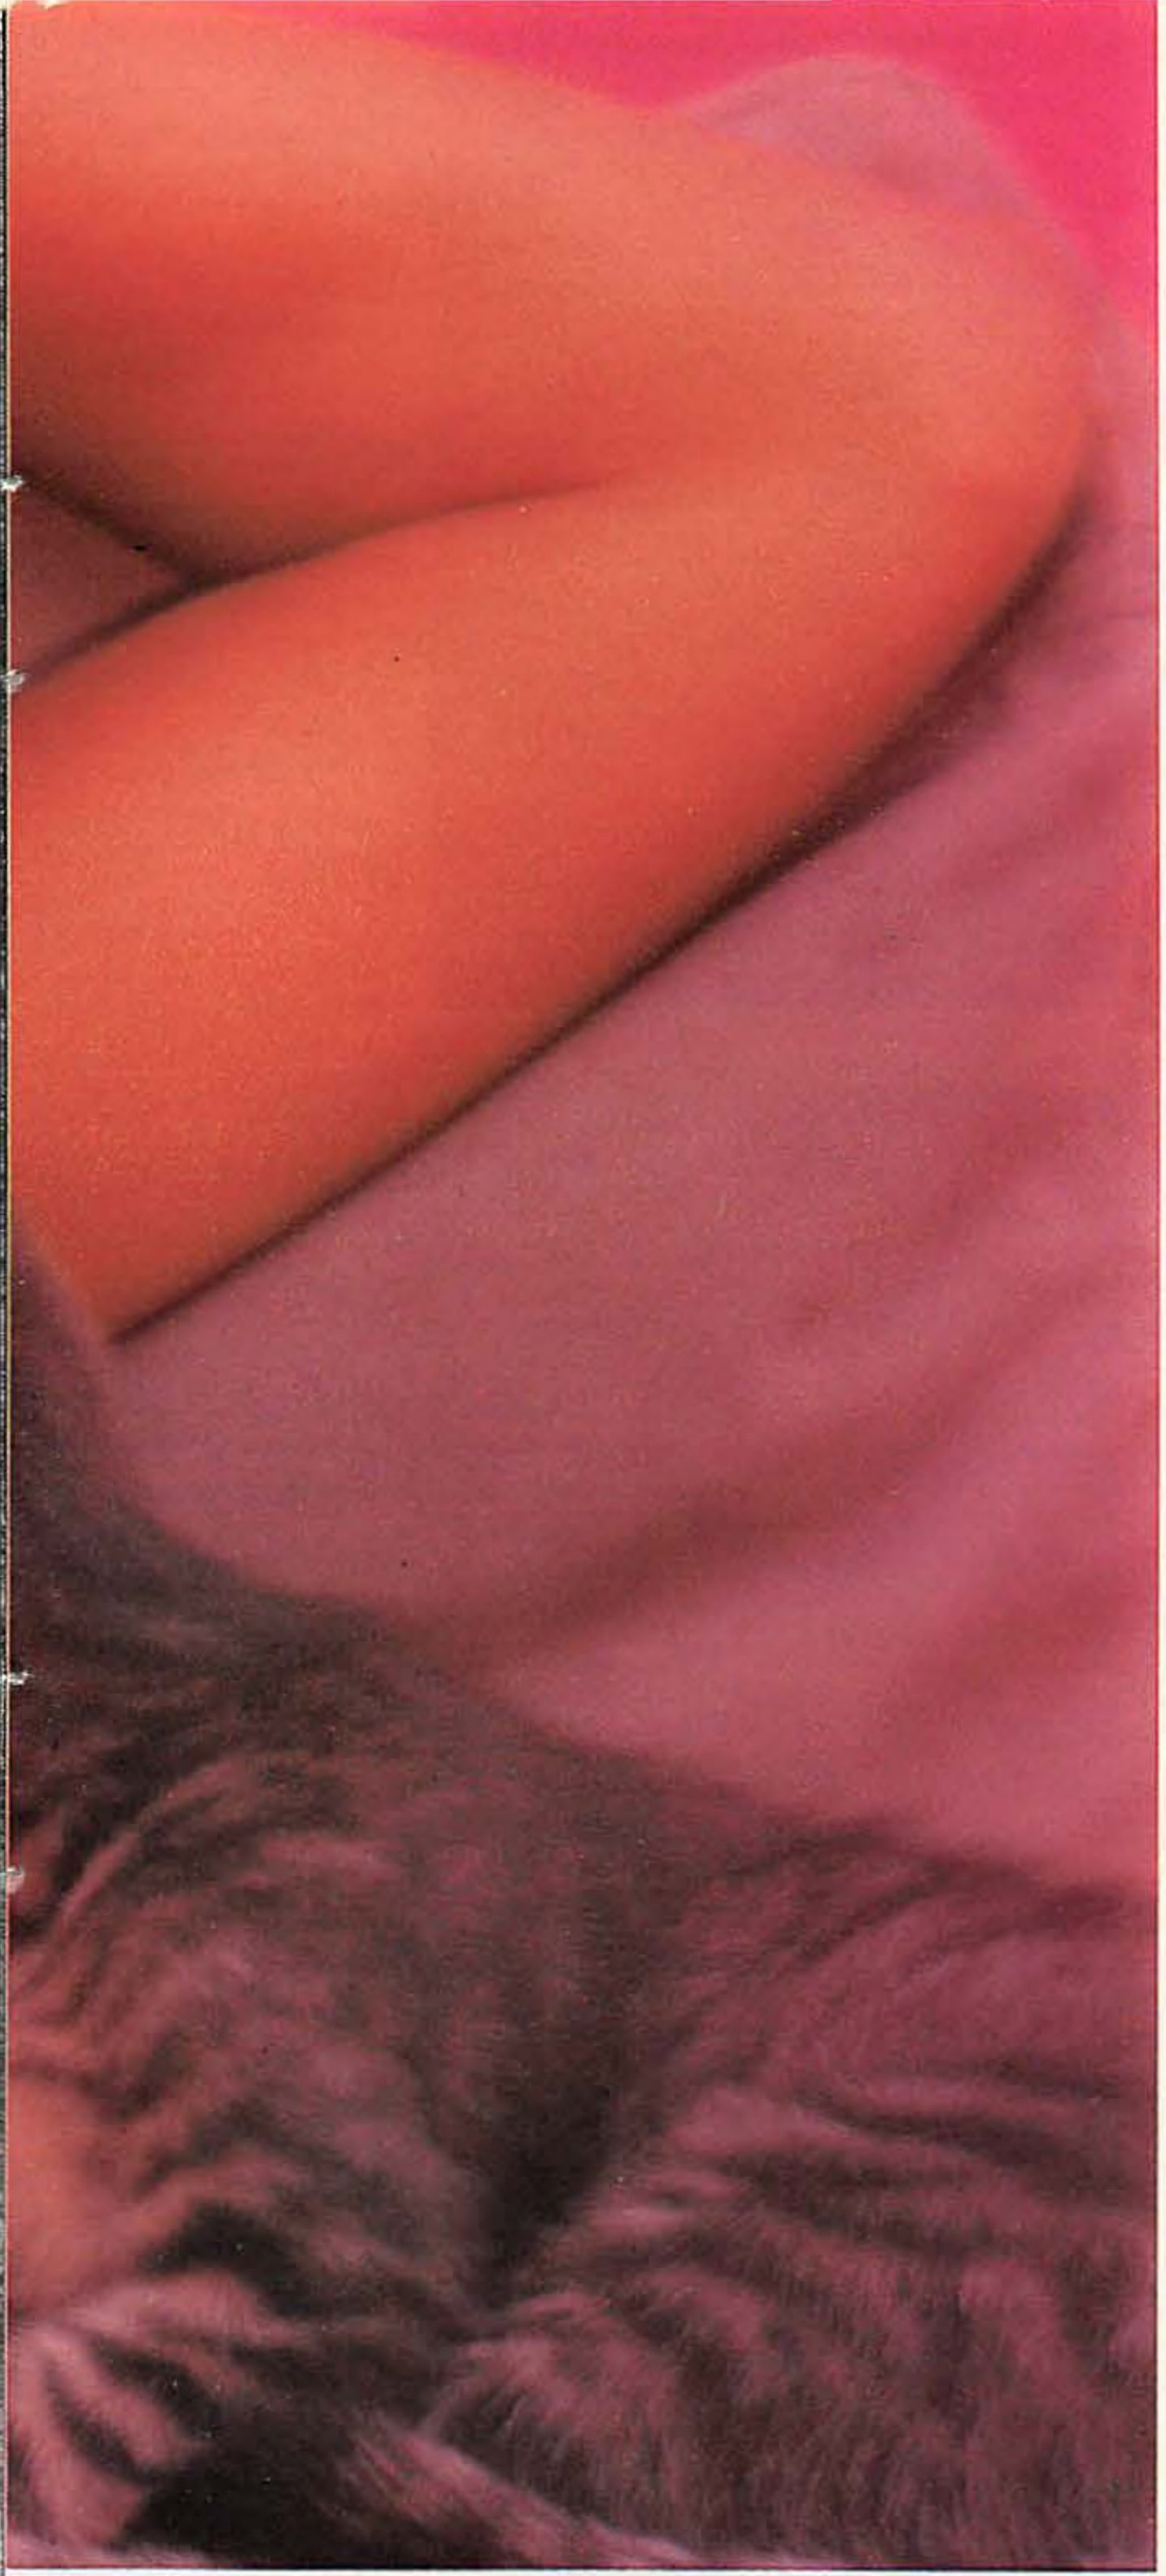
"Still fucking that plumber?"

WHAT'S NEW, PUSSYCAT?

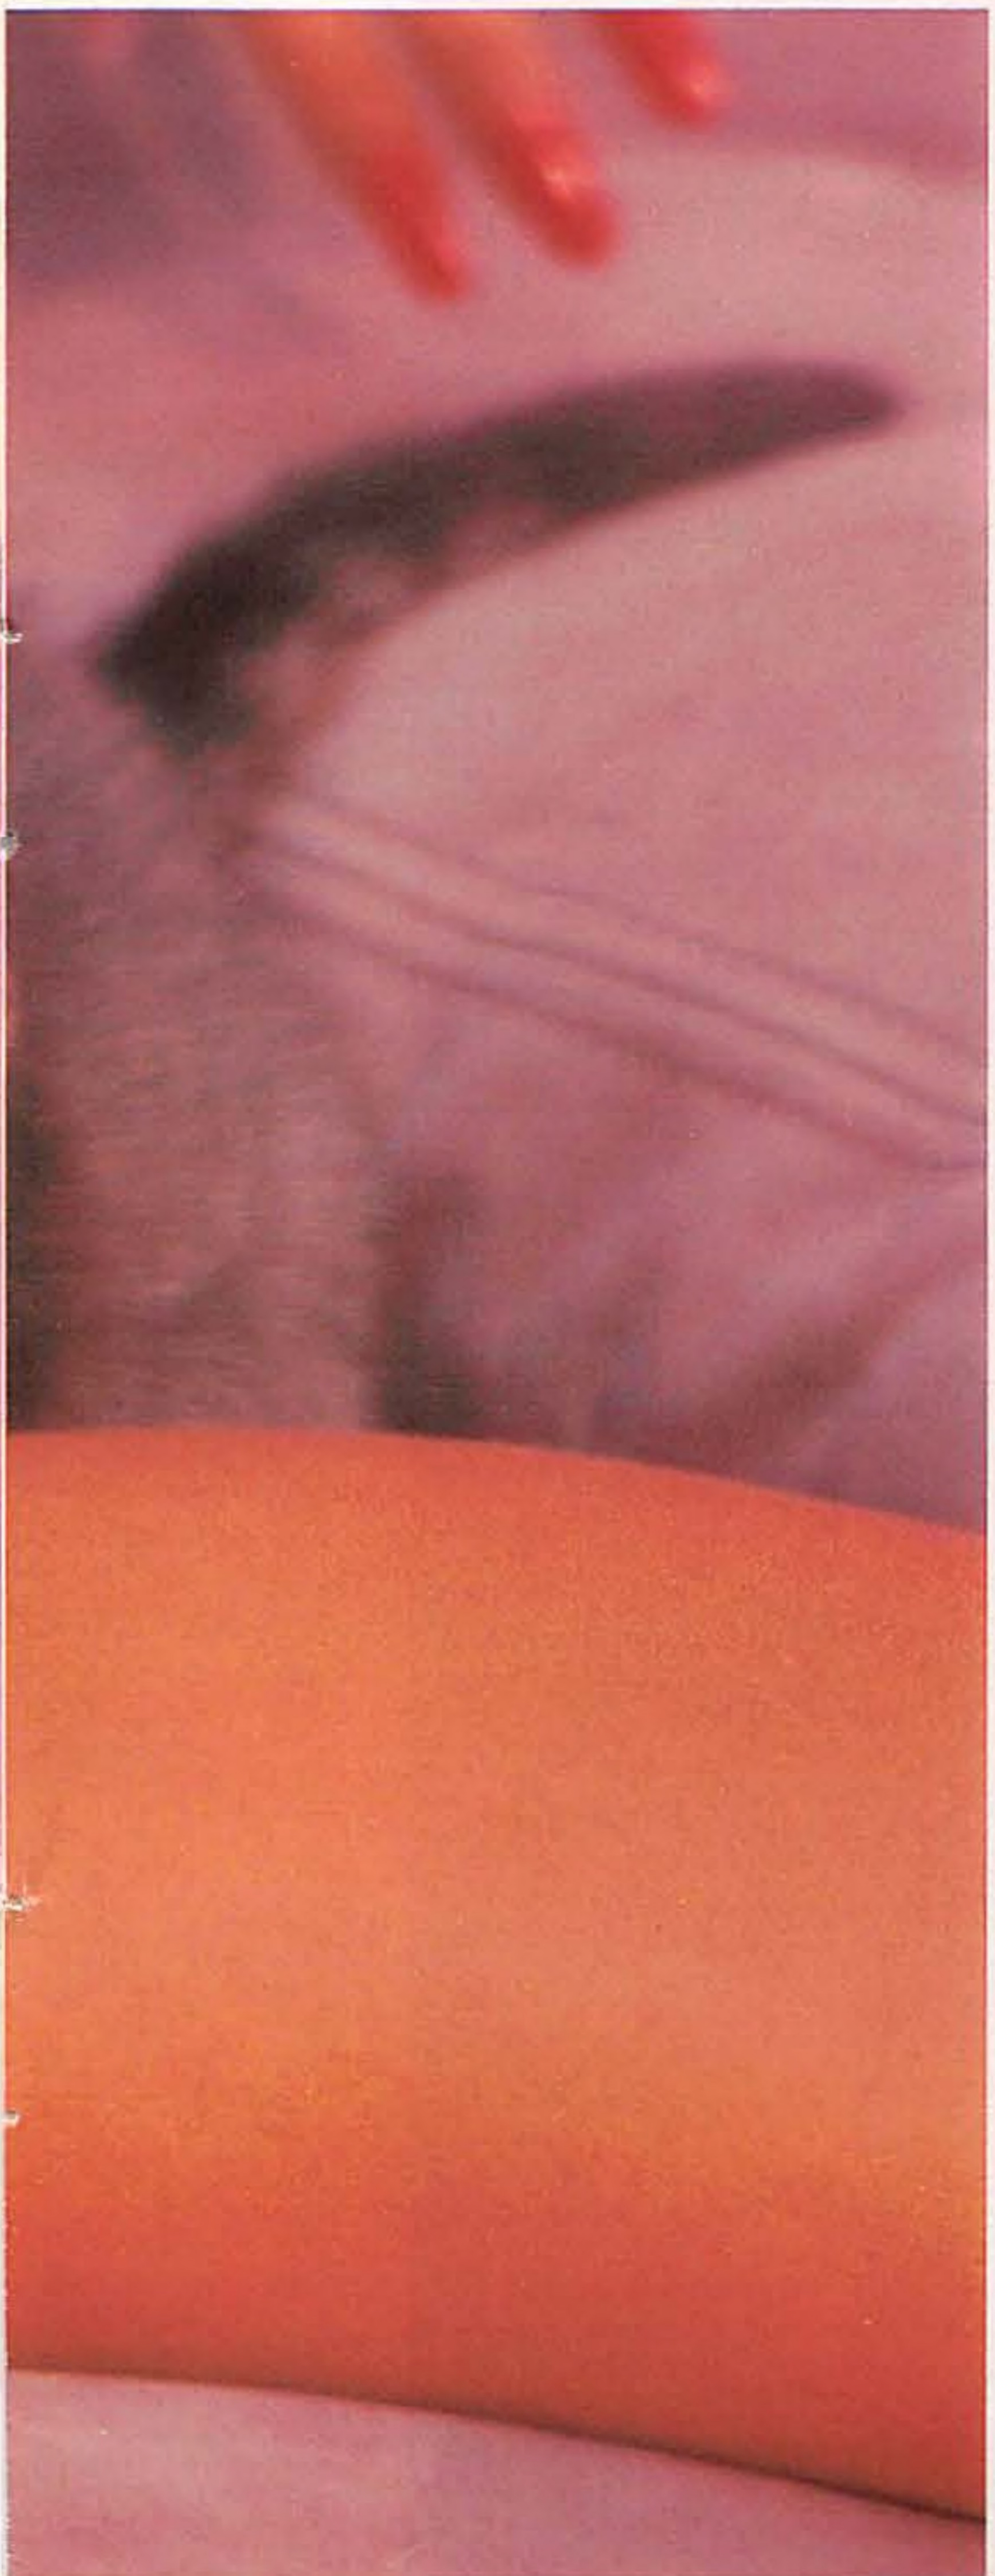
Following the writer's advice, *Penthouse* went west—actually, northwest—to find this luscious 19-year-old Canadian beauty from Vancouver, British Columbia. Christina Lee is a perfect 34-24-36, and she is perfectly thrilled to be gracing our pages. "Few women can imagine how turned on I get thinking about all those men looking at my pictures," Christina tells us. And it's no wonder that this mischievous sex kitten is a lover of cats: "There are times when I feel like a cat myself. I'm soft, cuddly, and it feels so good to have fingers rubbing my back."

PHOTOGRAPHS BY J. STEPHEN HICKS



Christina has a boyfriend, but readers should take heart: "I'm looking to get married, but not before I know what life is all about," she says. Christina, who was 1986 Miss Nude Vancouver, also wants everybody to know that "I have too much sex on my mind to settle down."

Though she loves the beauty of the Canadian Northwest, Christina wants to move on to warmer climes. "One thing I'd love to do," she blushes, "is to find myself stranded on a tropical island with a couple of resourceful men."



For now, Christina wants to continue her career as a dancer. "I want to prove to the world," she says, "that I have many talents." We think she's already made her point.

LINDA

“My favorite fantasy? A celestial stranger and me in a Venus-bound cockpit for two.”

UPWARD MOBILITY

"There can be no reality without a dream."
So says Linda Johnson, our enterprising young Pet of the Month. "I firmly believe that you make your own luck in this life. Just set your sights high, then start climbing!" No wonder this maple-haired marvel has accomplished so much in her scant 20 years. The lovely Linda, who hails from Florida, springs from eclectic stock. Cherokee spirit, Irish wit, and a liberal application of French and Polish intrigue have forged a bright new star.

PHOTOGRAPHS BY CARL WACHTER

An accomplished makeup and hair stylist who has helped legions of grateful women realize their potential, Linda derives enormous satisfaction from her work. "The female form is my canvas," she says. "I love to release the seductress that breathes beneath even the most timid exterior. And women respond extremely well to my special brand of gentle coaxing."

*“I broke into the
Mile High Club in the backseat
of a Boeing 747.”*

Professional dancing keeps her 34-22-34 shape looking sleek, and professional modeling has launched her burgeoning career in television and video.

Pop tunes are her favorite medium for dancing and workouts. "But when I'm alone, heavy metal stokes a more primeval passion. . . ."

Her favorite fantasy? "A celestial stranger in a Venus-bound cockpit for two—the agony and the ecstasy of zero g!"

Linda's predilection for sex in space comes from her most erotic real-life encounter: an initiation into the Mile High Club in the backseat of a Boeing 747. But her earthly favors remain the exclusive province of her dancer boyfriend. "I prefer to concentrate my energies on one man," says Linda. Loyalty, however, does not preclude a little selective teasing.

‘The female form
is my canvas, and women
respond extremely
well to my gentle coaxing.’

"Posing for *Penthouse* was an incredible turn-on. Every click of the shutter made me more and more excited. I thought, 'I can't wait to see this picture.' I think it's great that millions of men will be admiring me!"

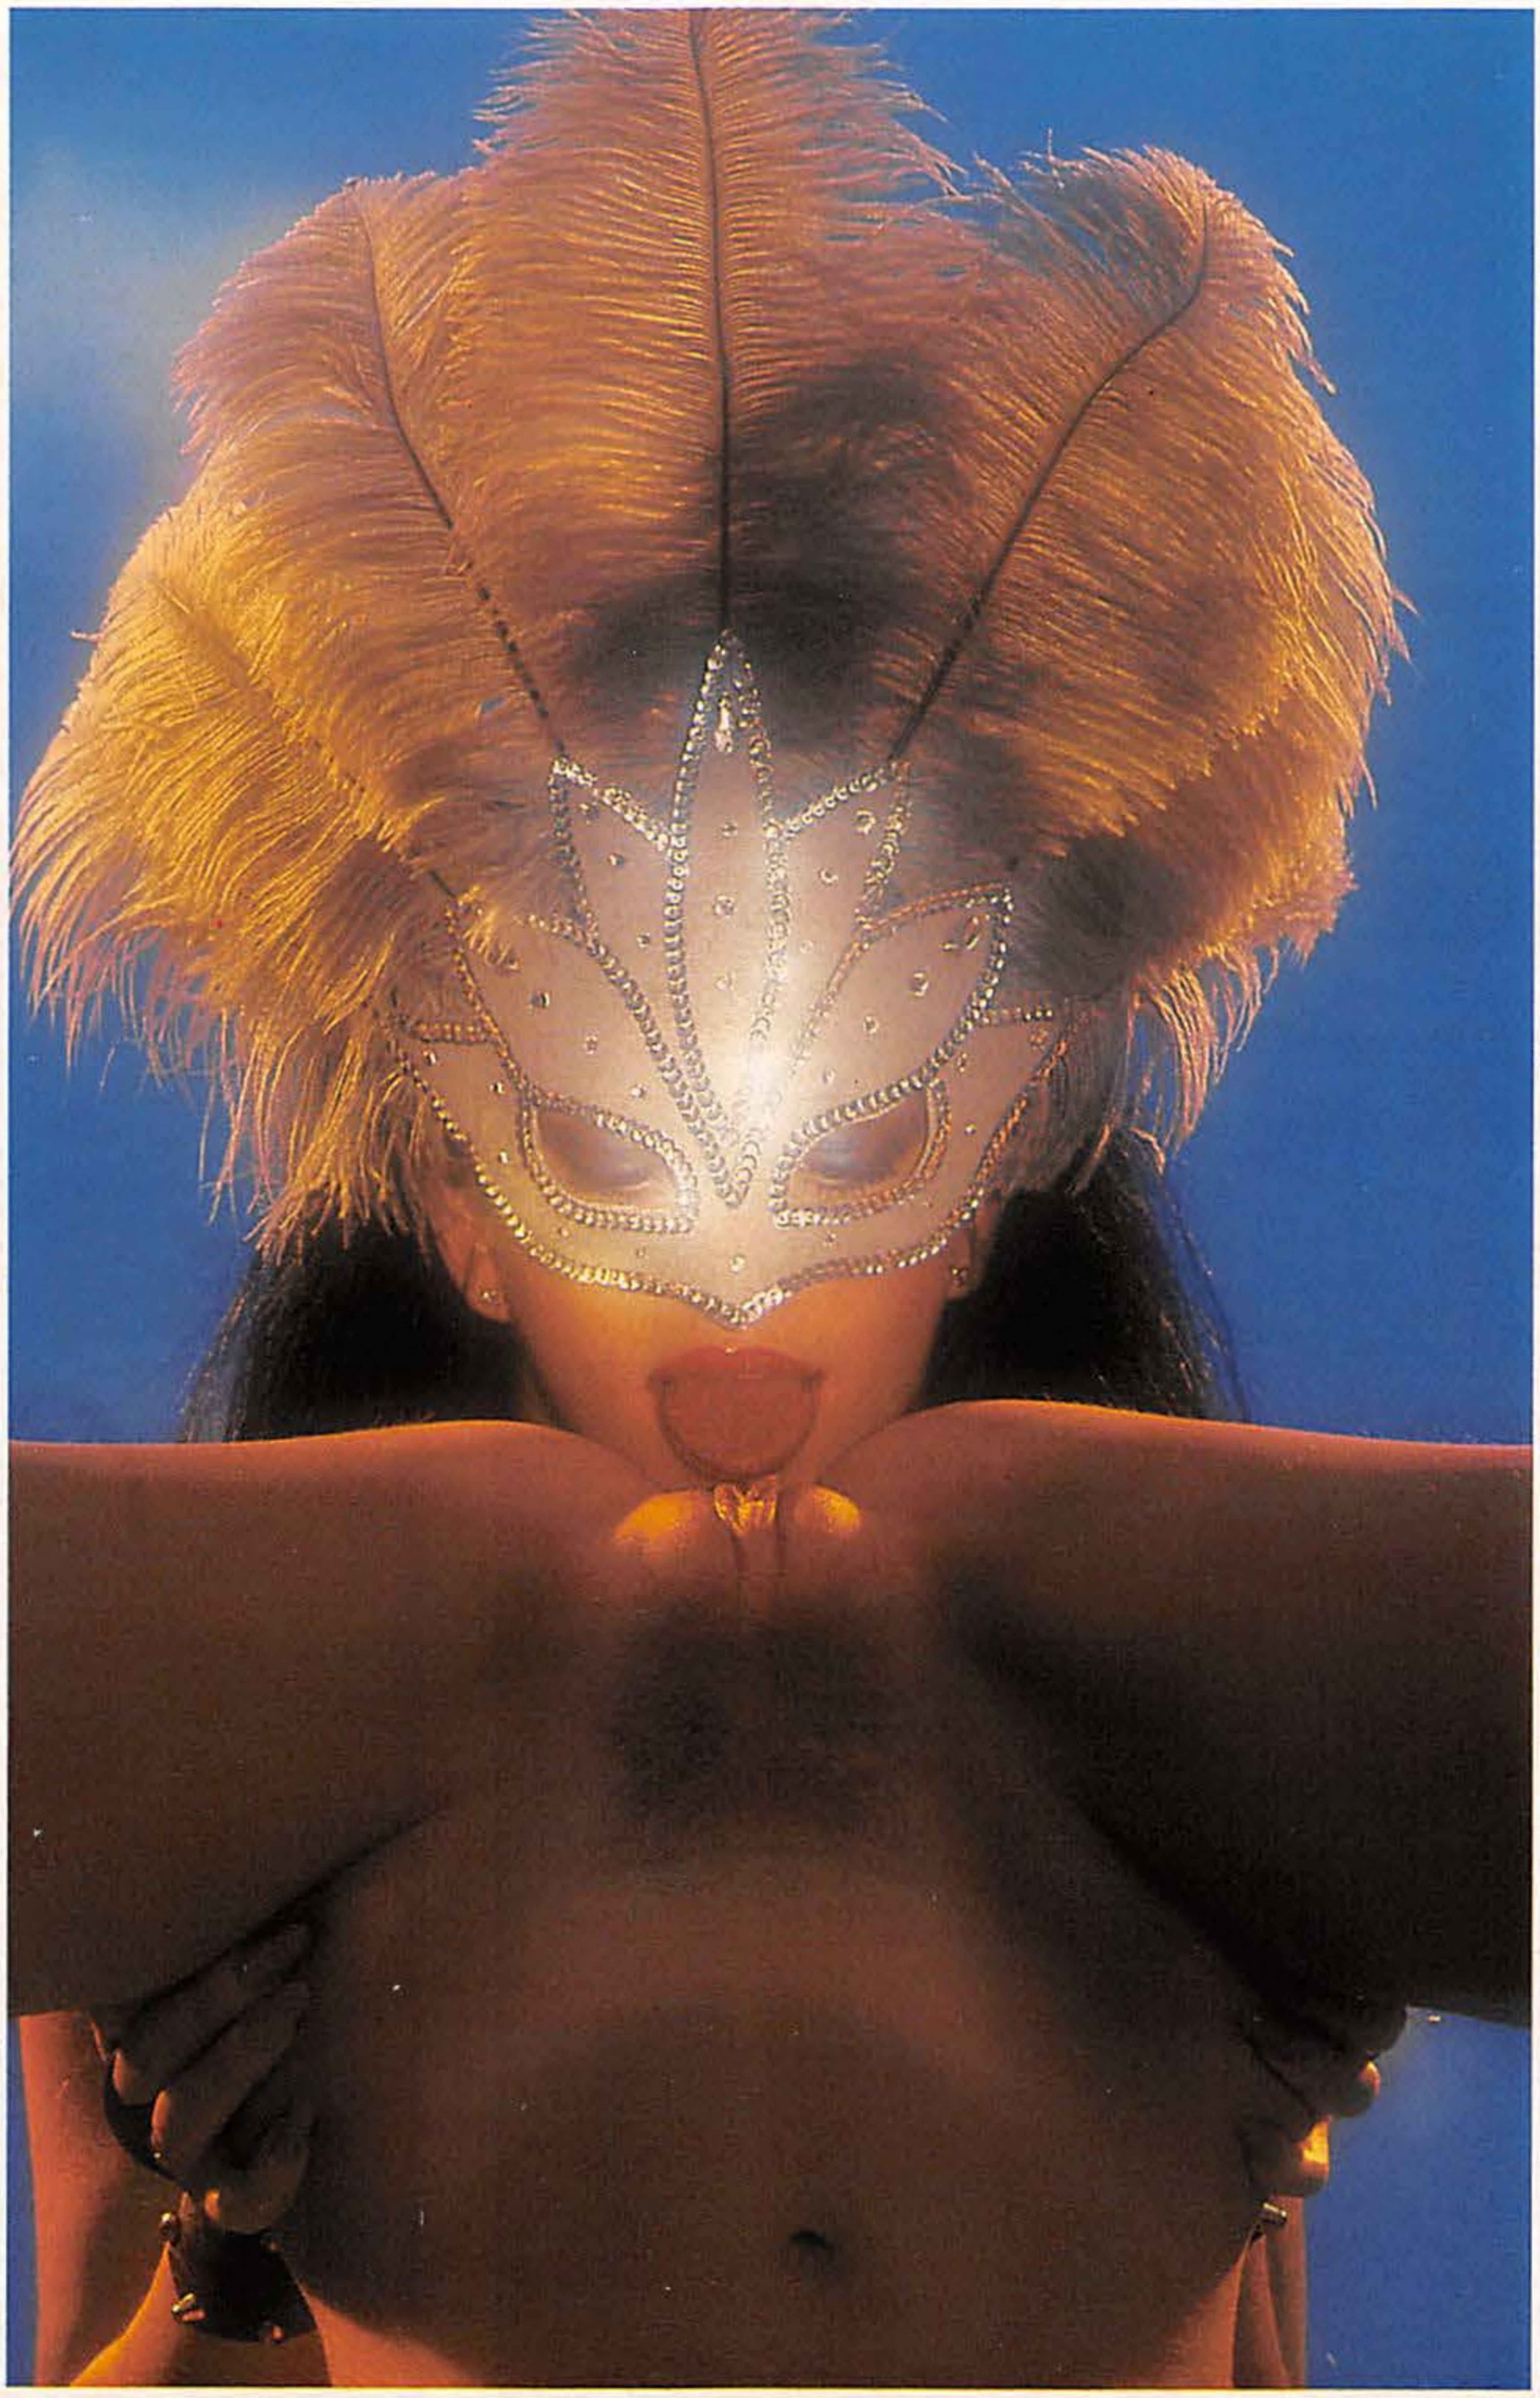
BIRDS...

. . . . . OF A FEATHER FROLIC TOGETHER

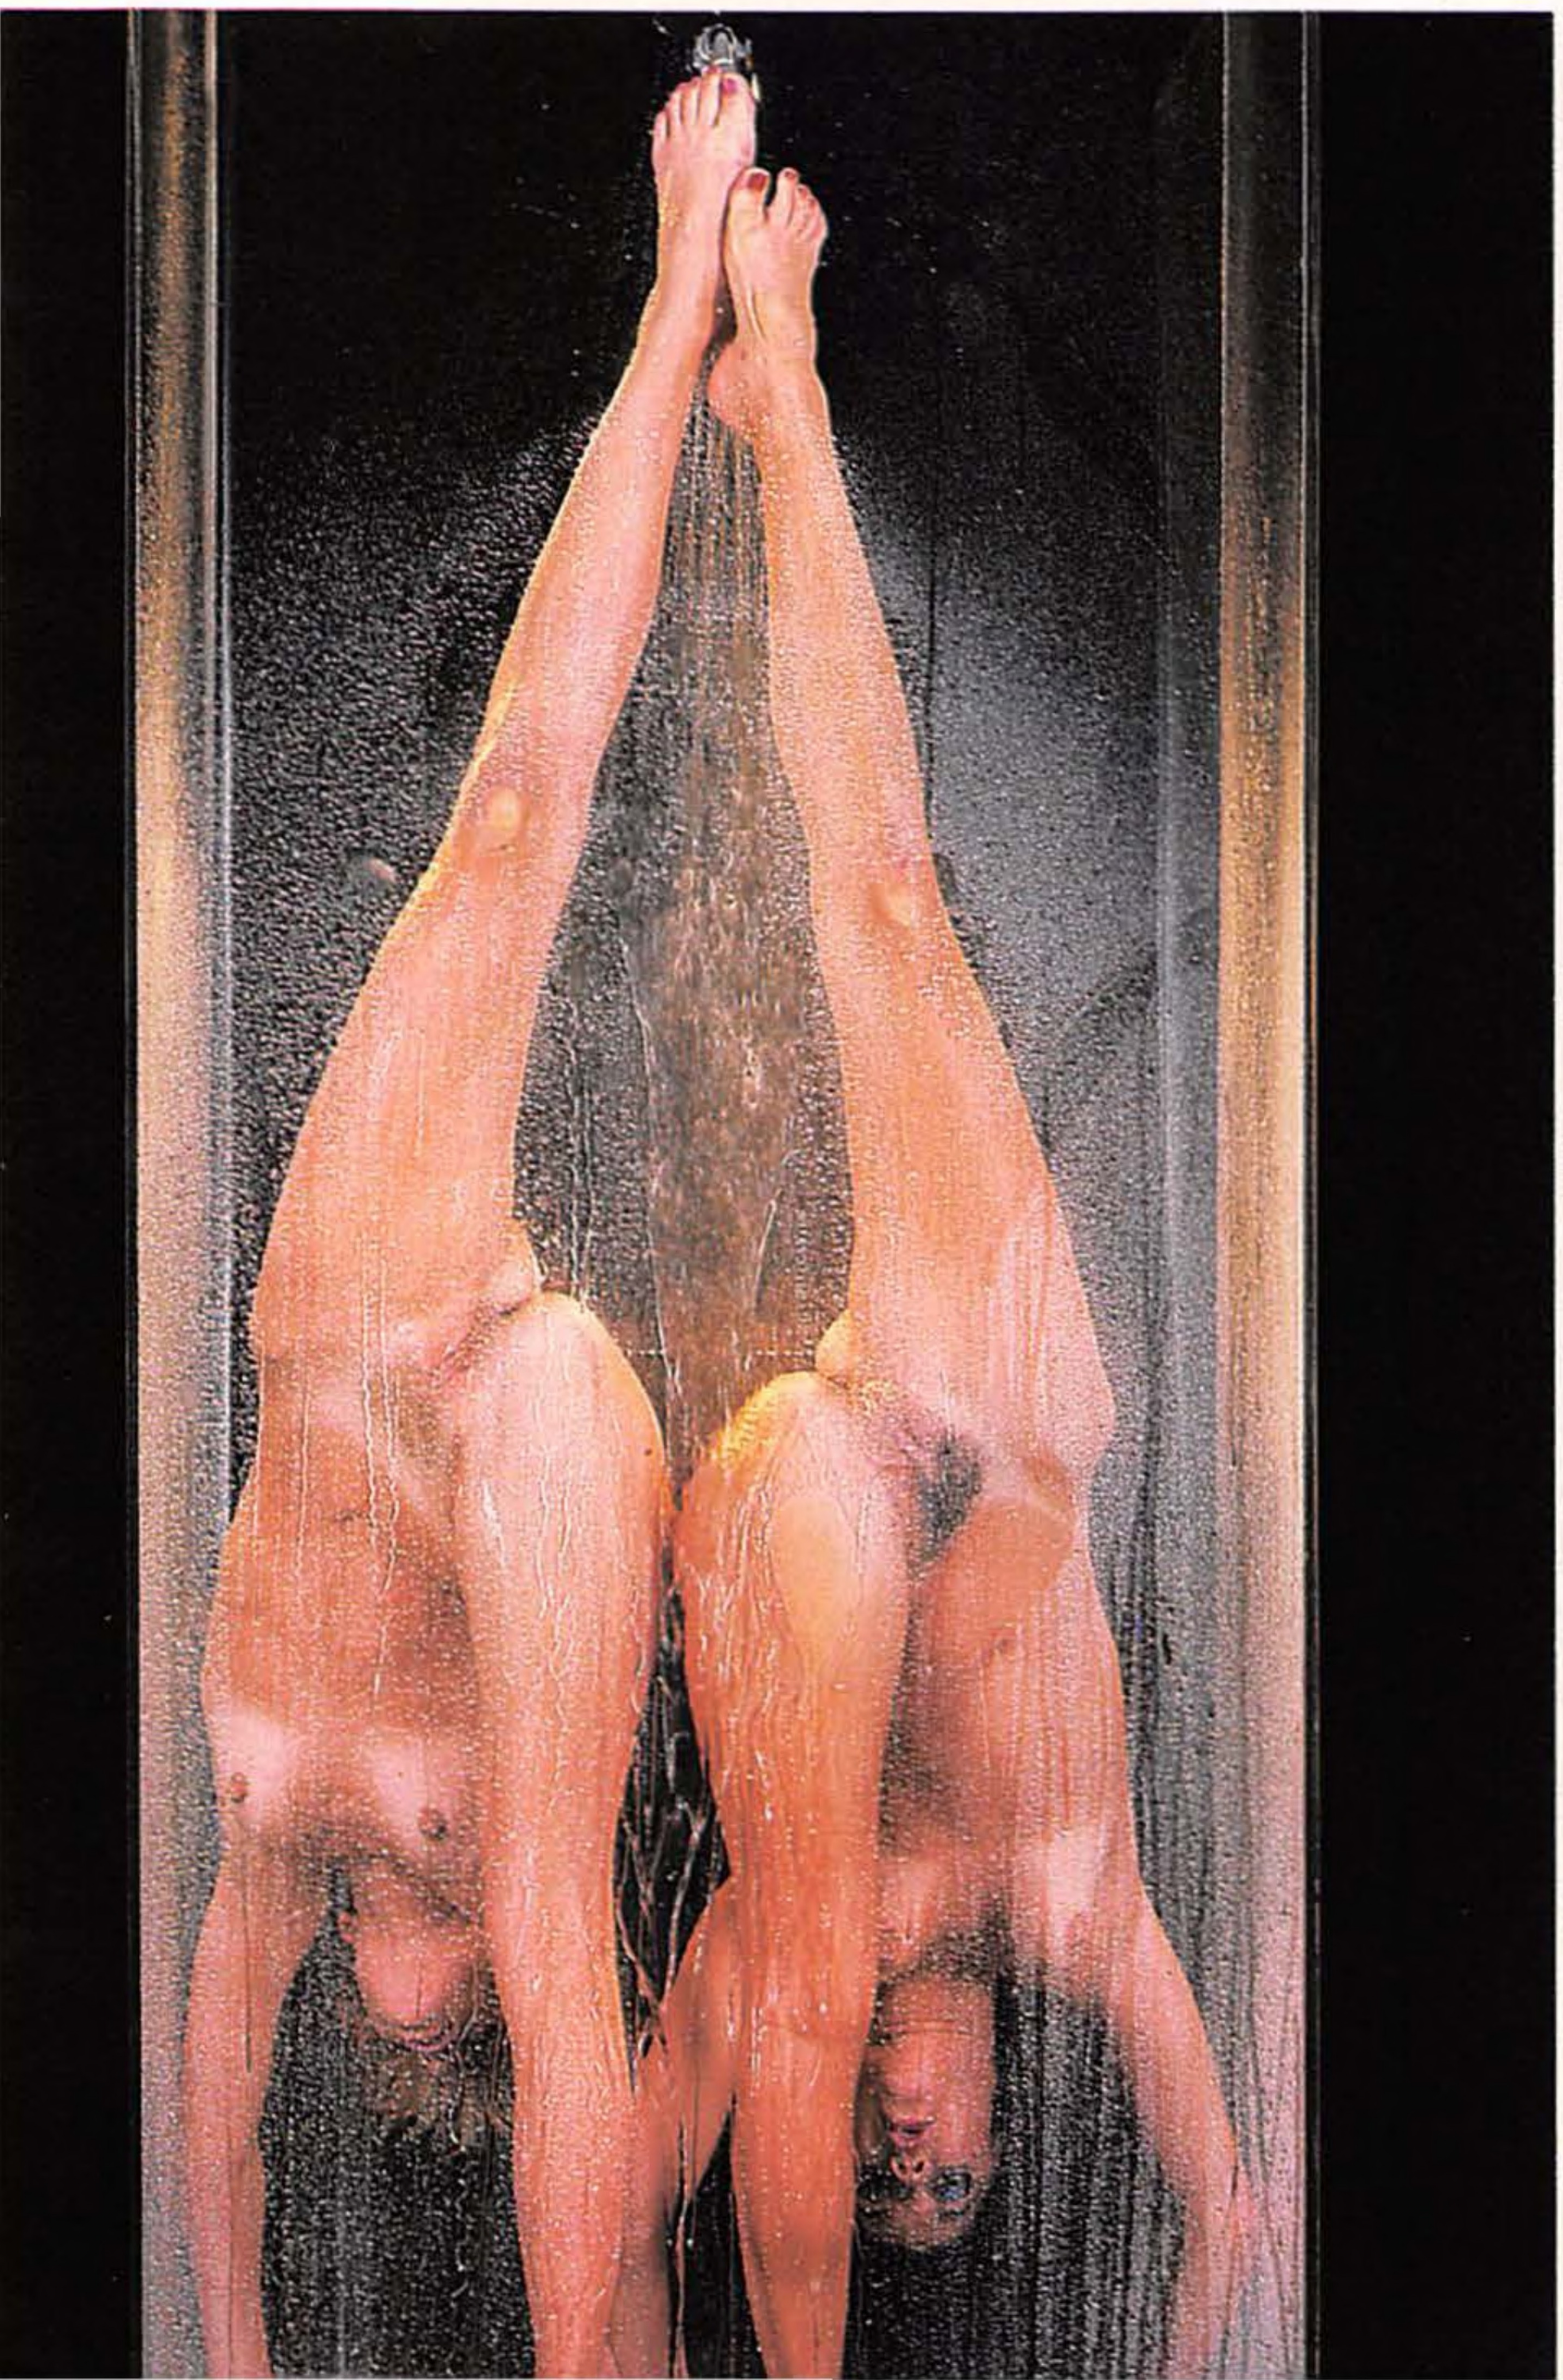
Evelyn and Laurie, partners in an aerobic
dance studio, share a nest in a
penthouse apartment far above the city.

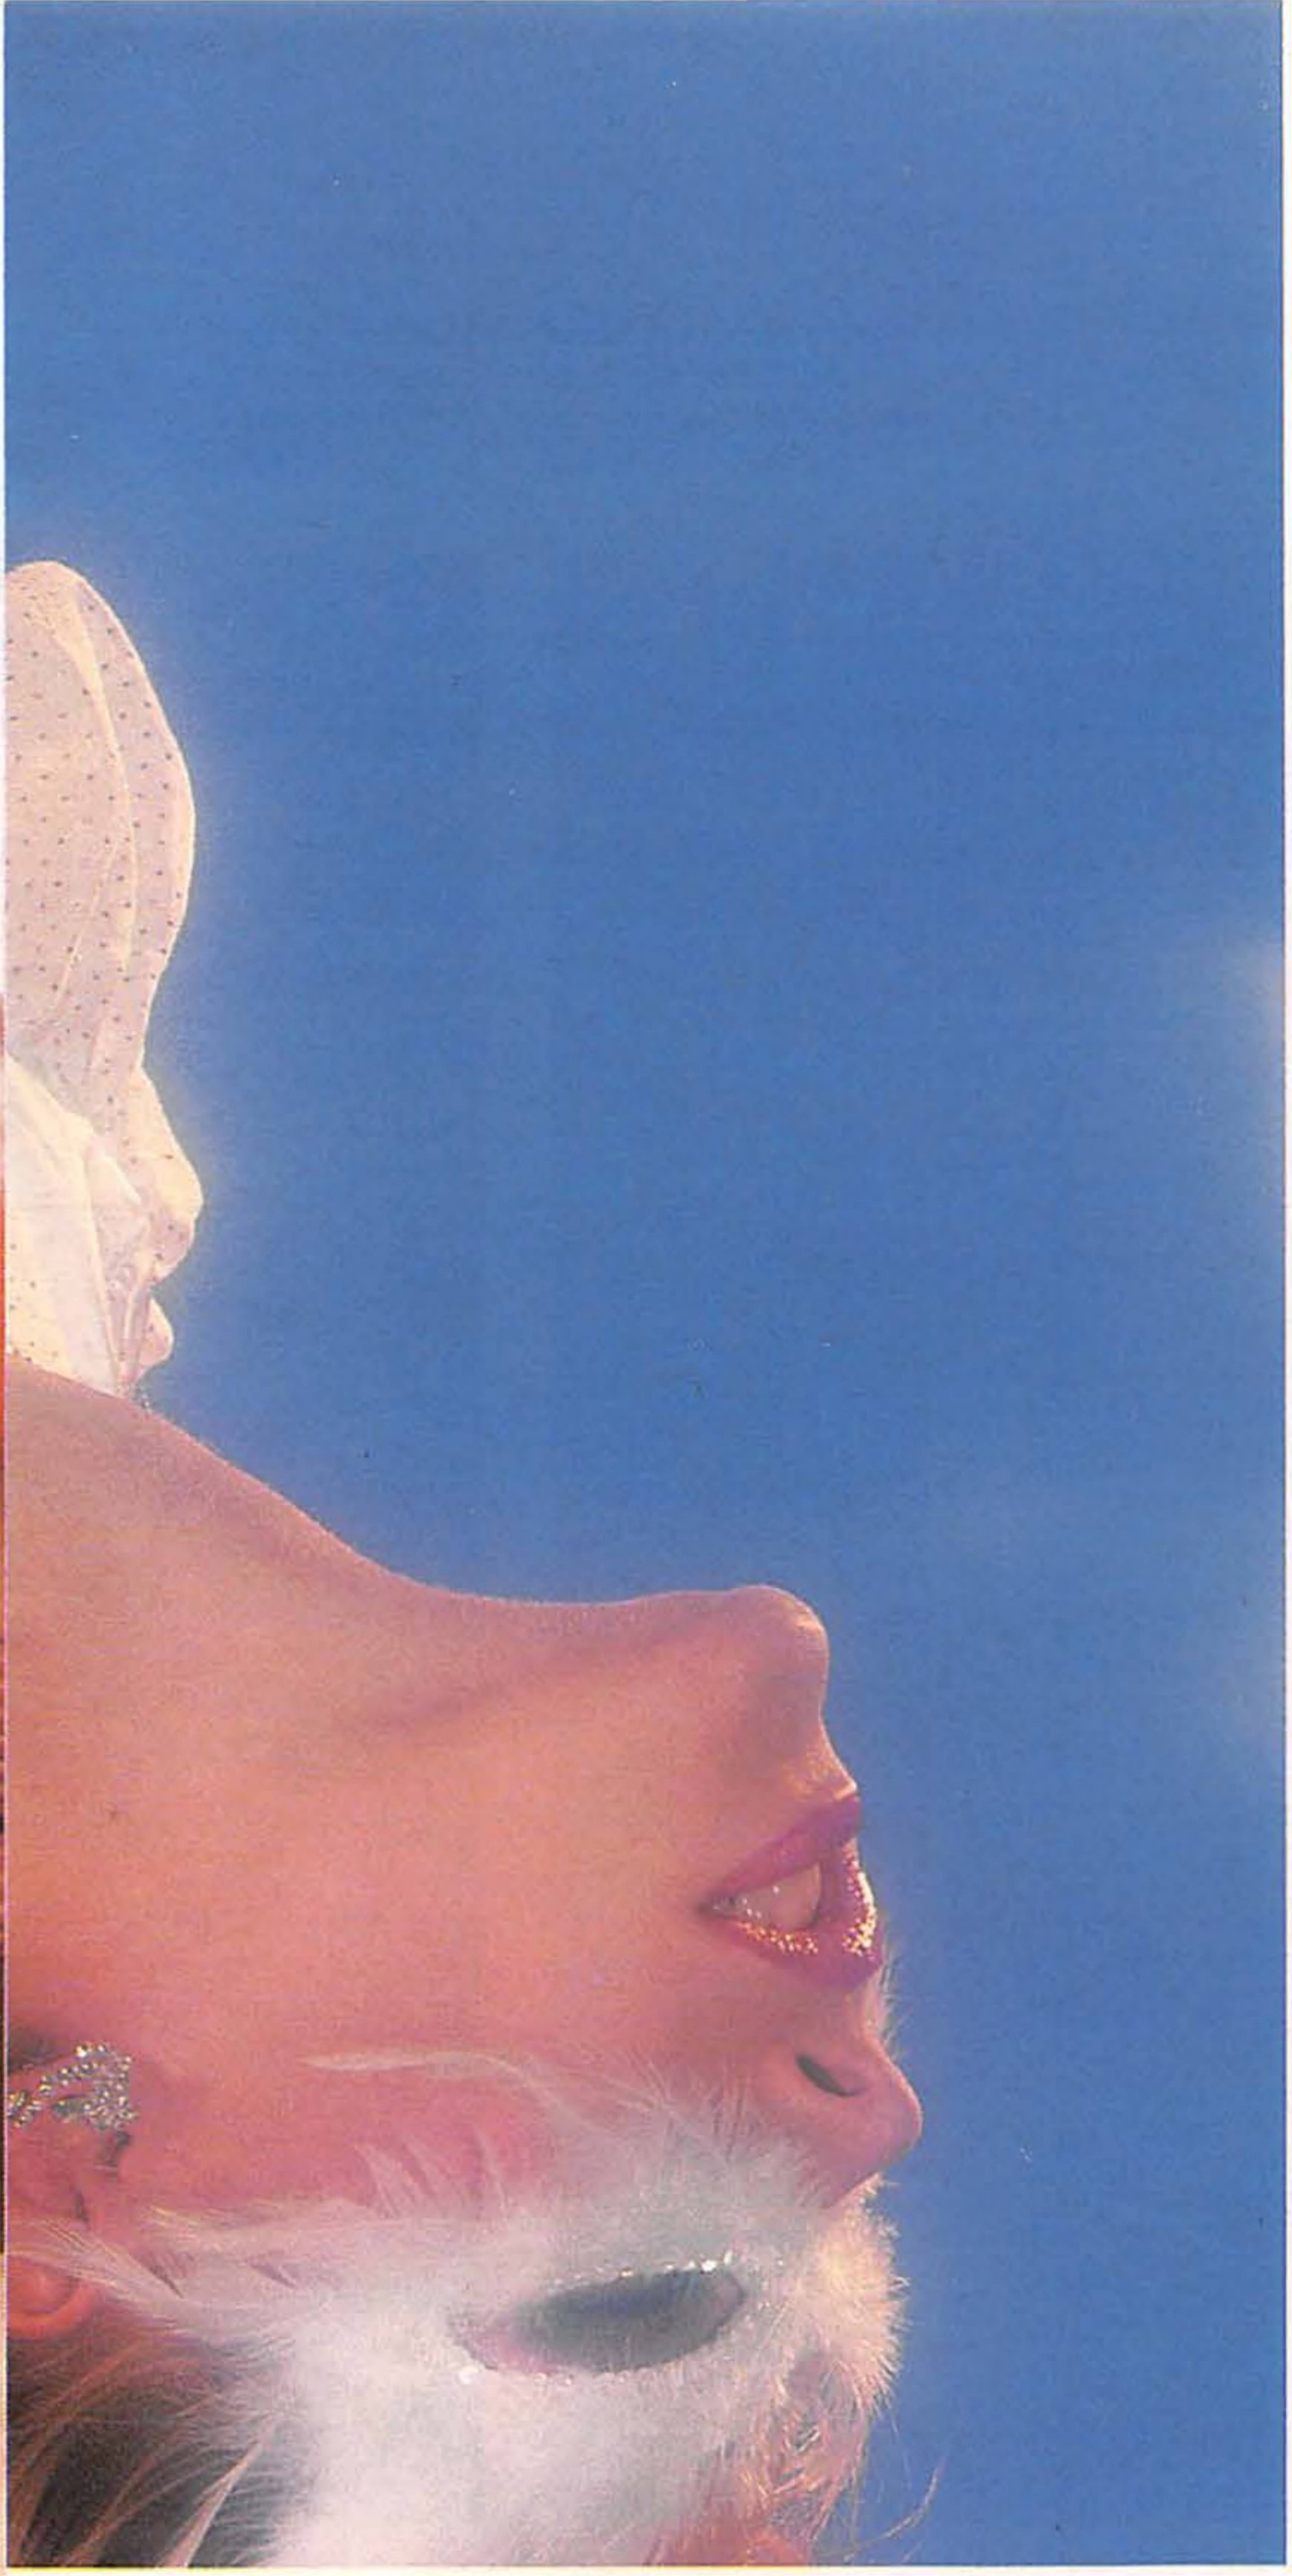
PHOTOGRAPHS BY EARL MILLER

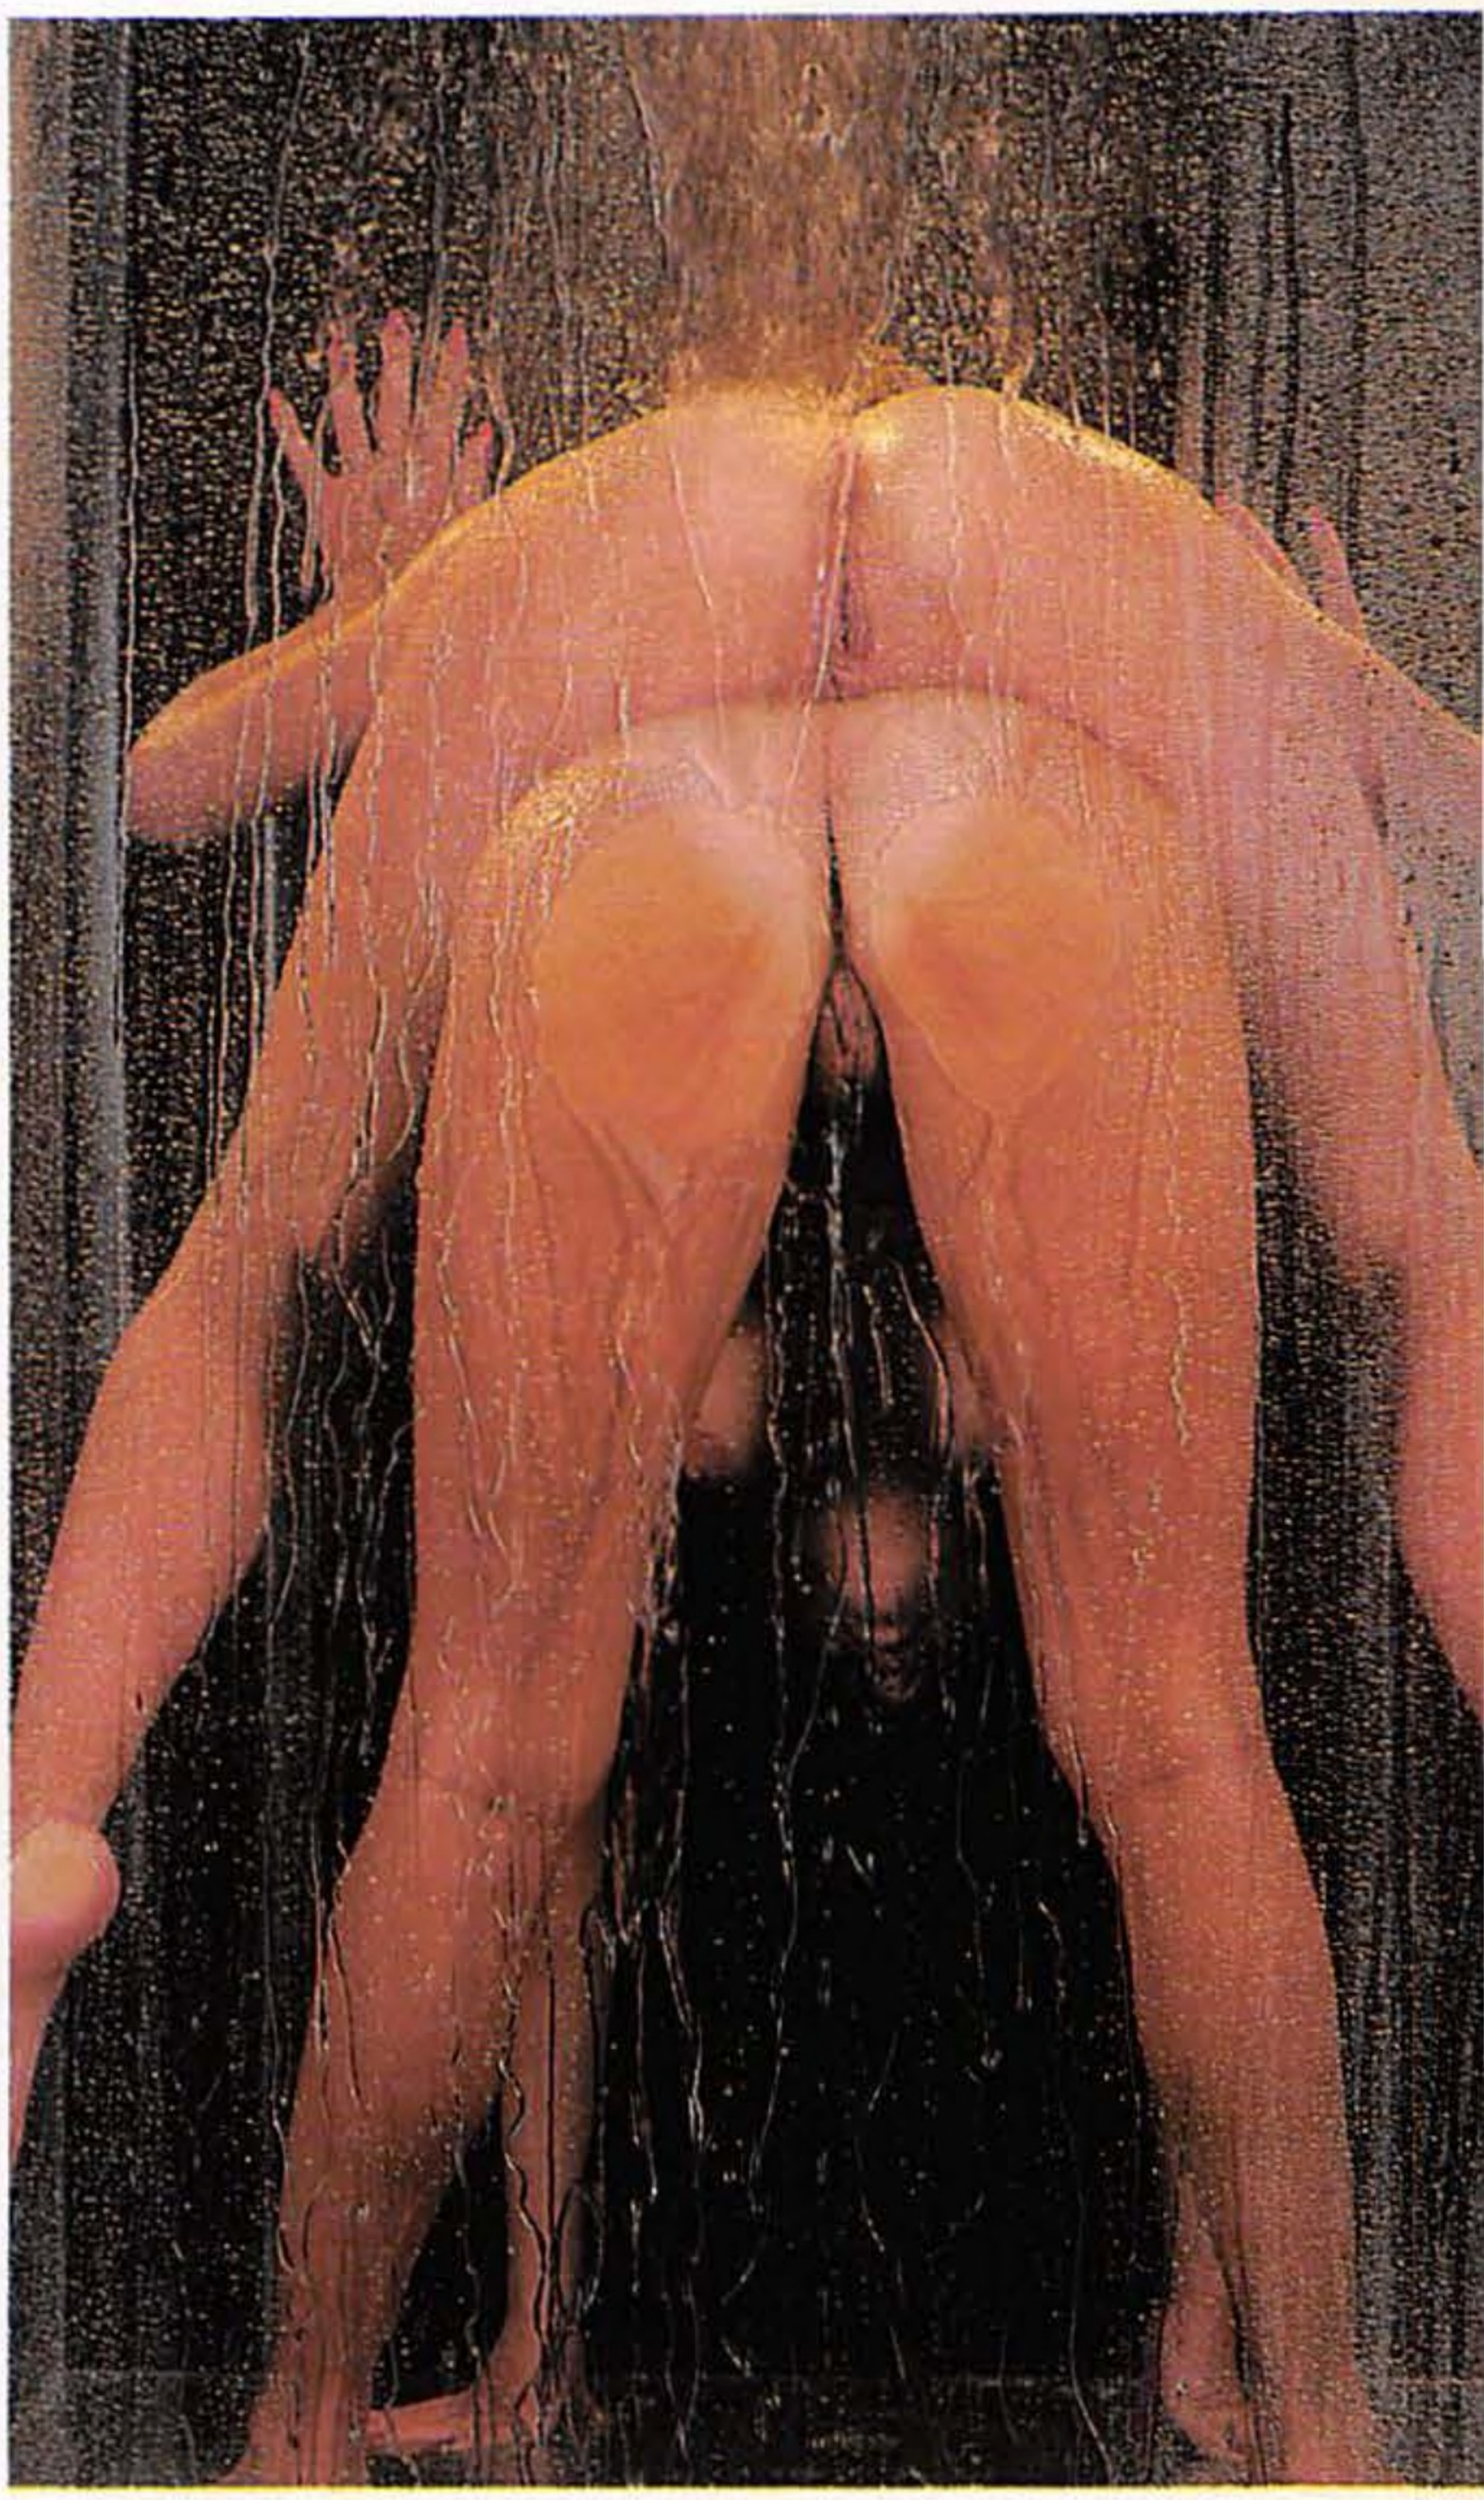


Makeup by John Maldonado, hair by Darlene DeFreitas

Balancing is an easy feat for these graceful maidens. Like birds in flight shaking loose their earthly bonds, they float on rising, heated winds of passion. In the misty, tropical warmth of their magical lair, a gentle shower wets their plumage.



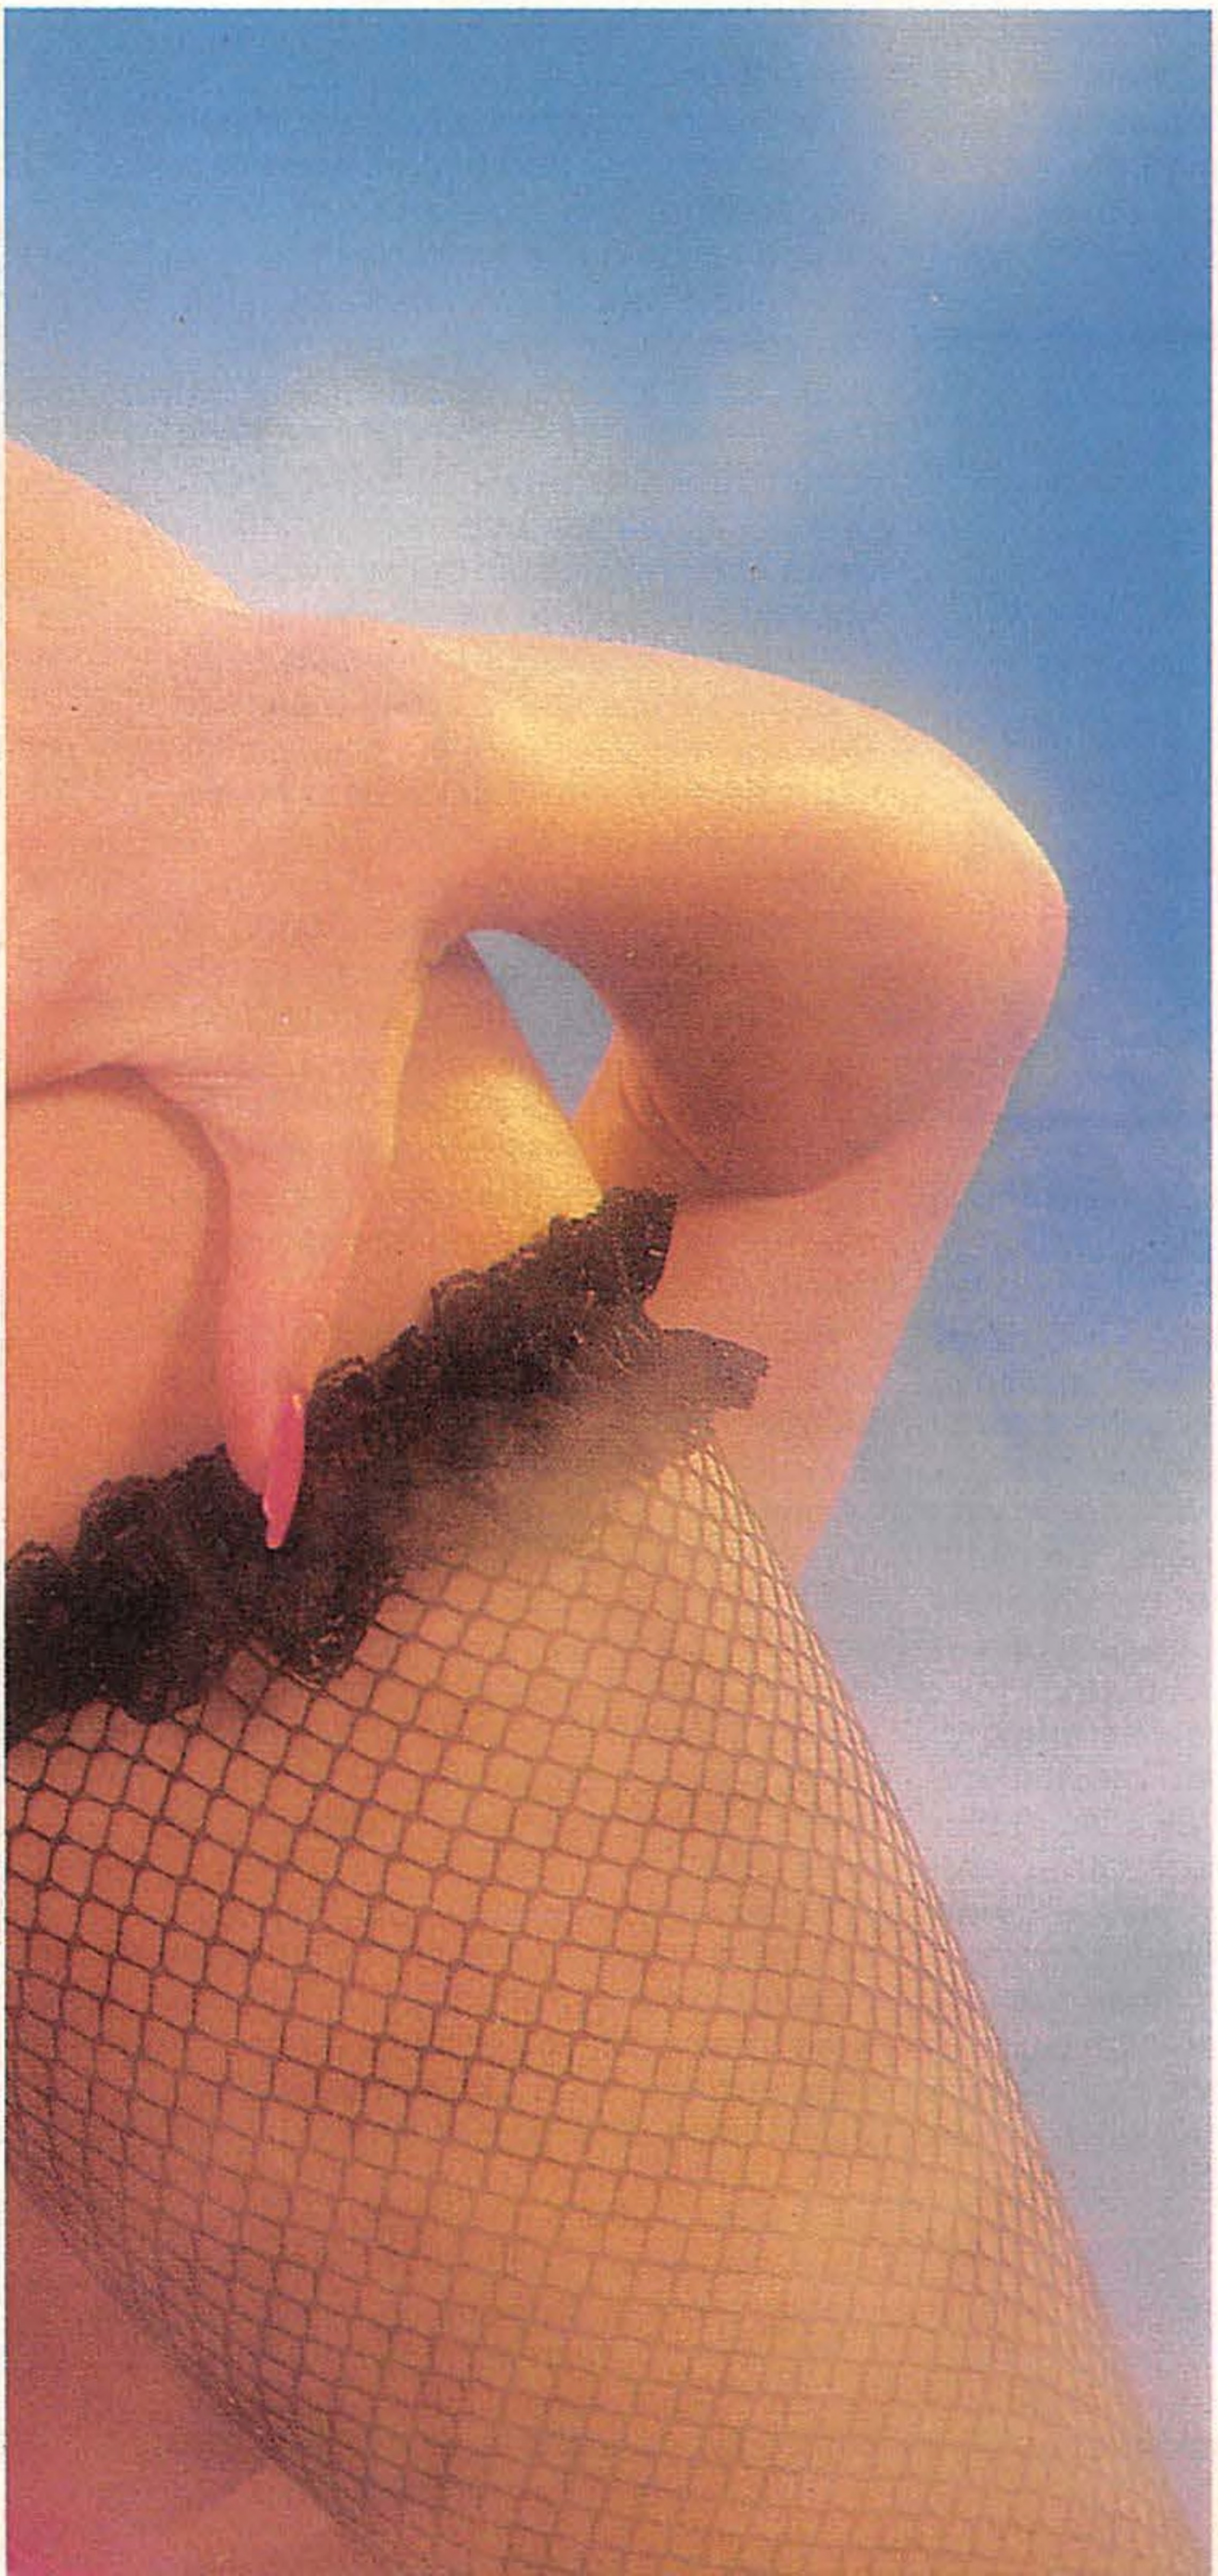




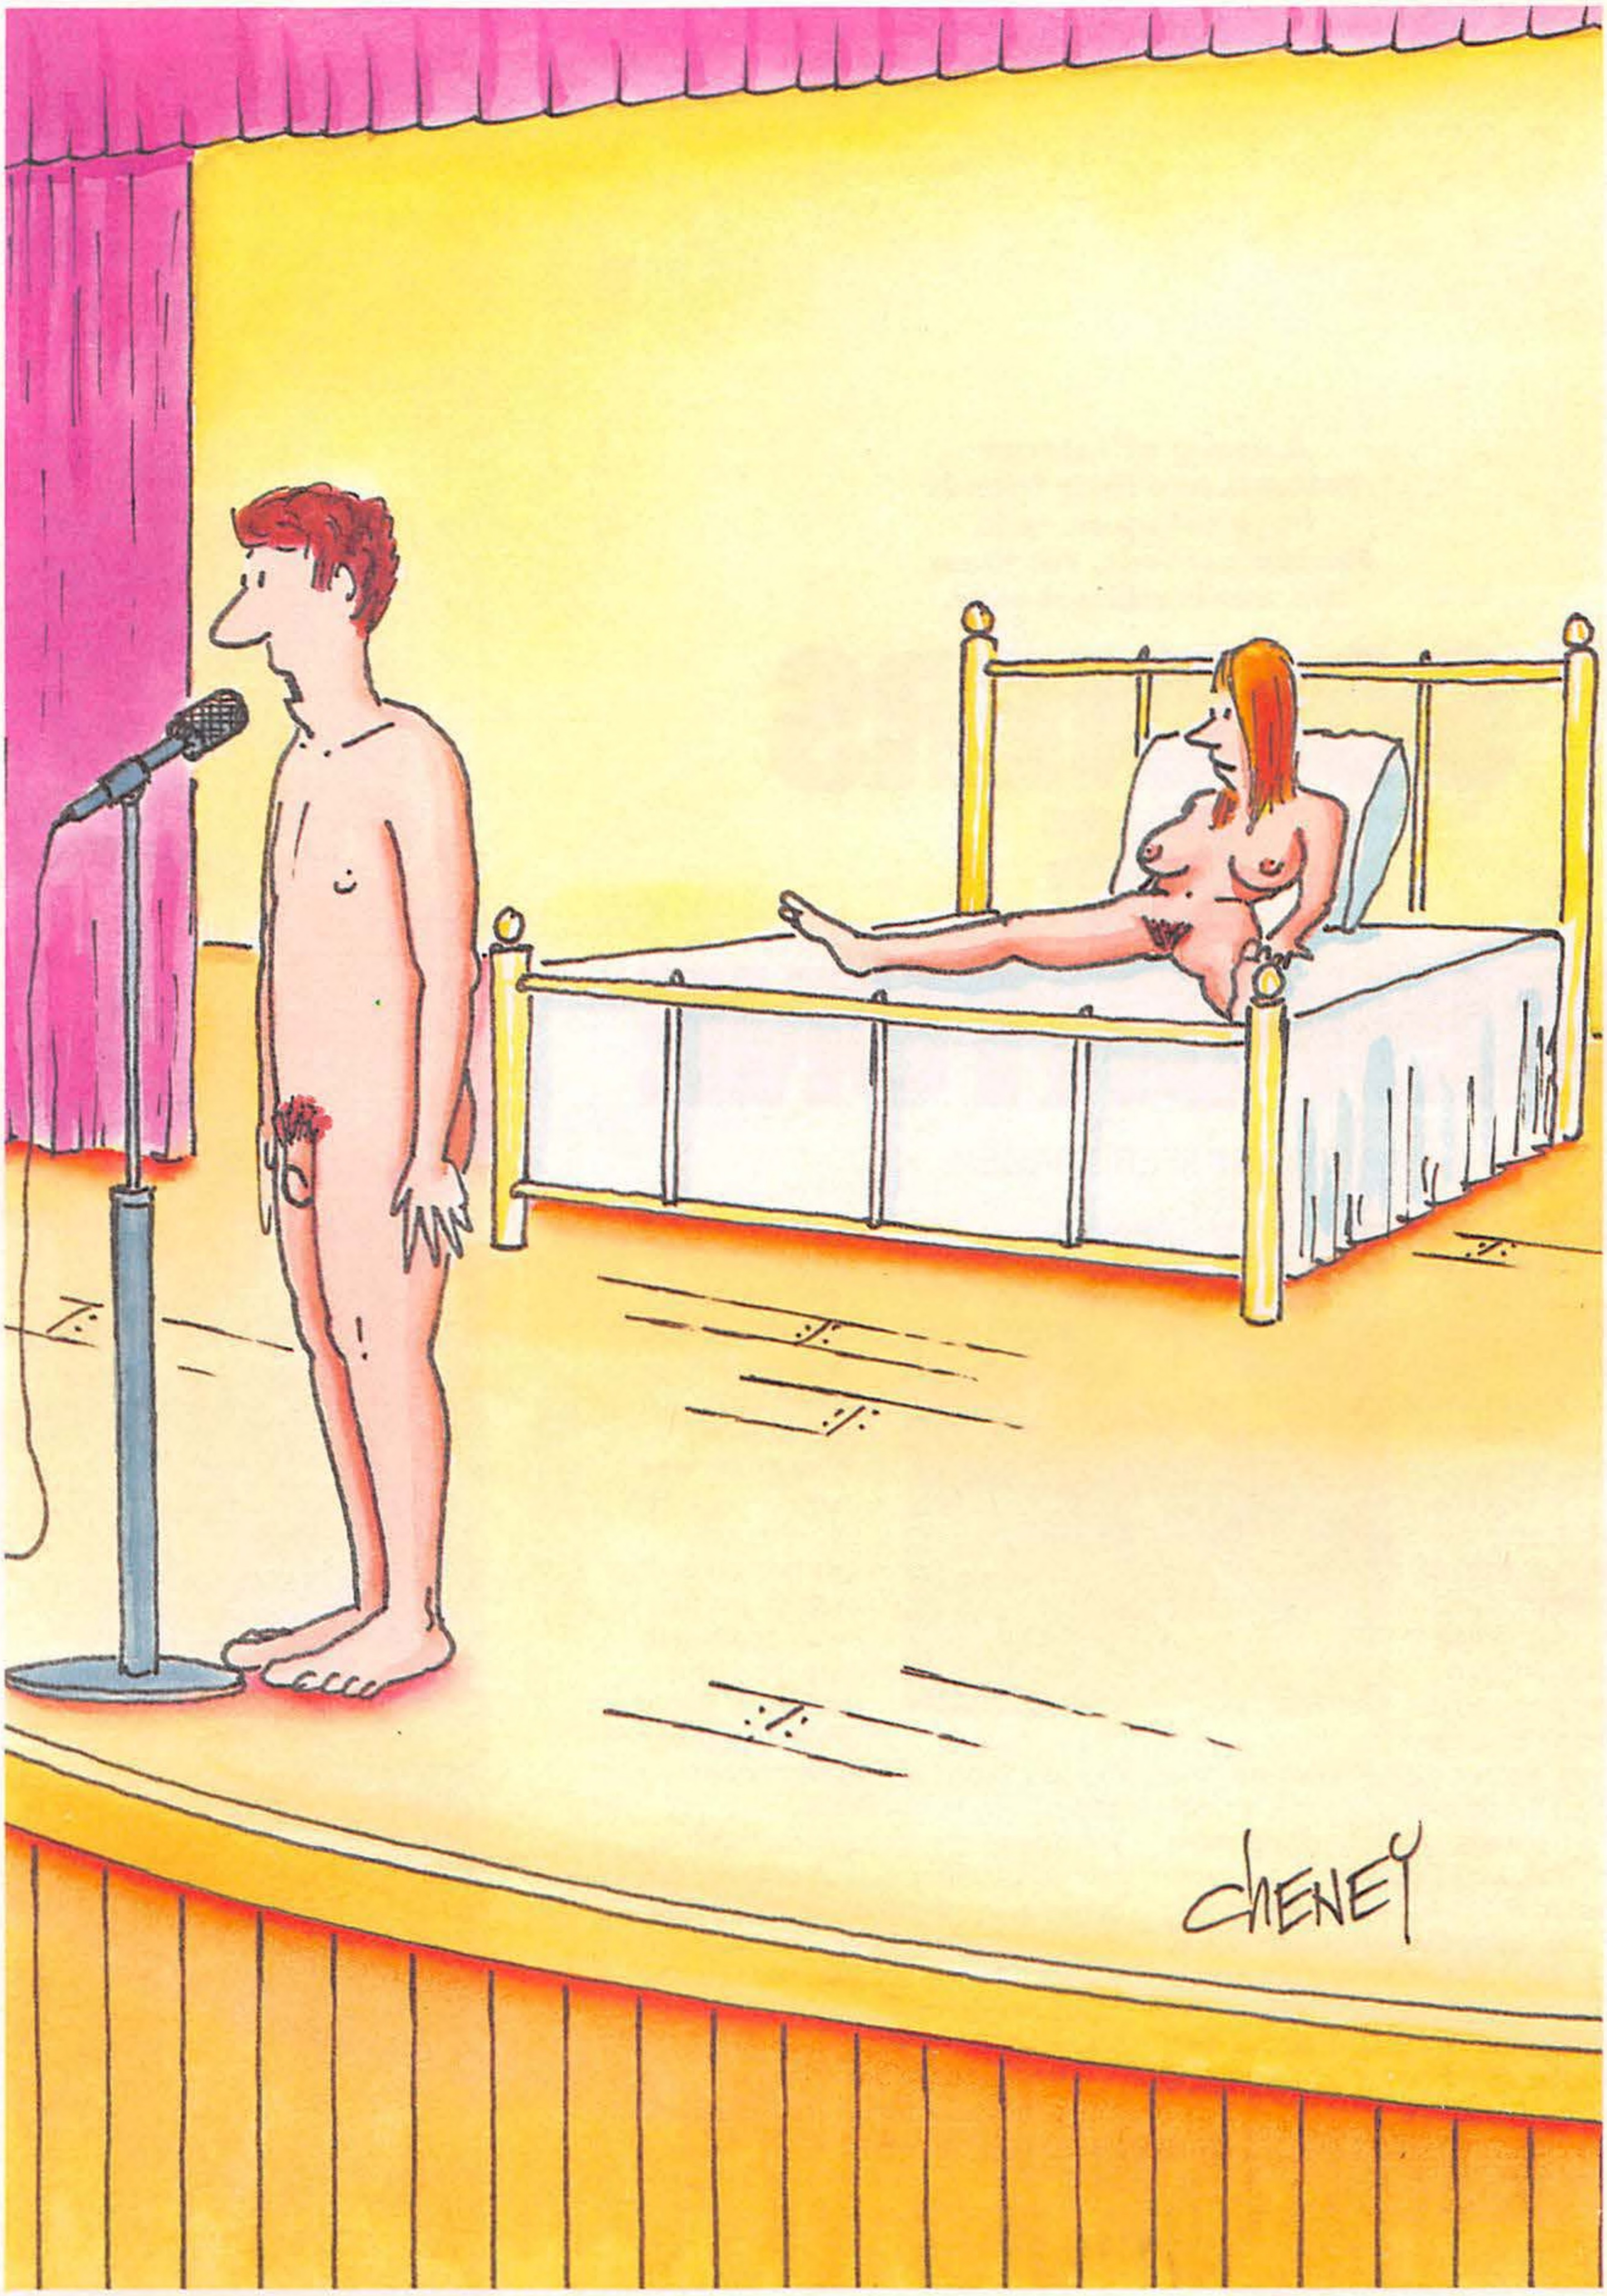
Their shimmering glass aerie forms an aerial background for their secret life. Evelyn grips Laurie's soft dove's breast with flashing talons. Laurie folds her wings in delicate surrender of yielding flesh.

Plumed birds of paradise flaunt their beauty to one another in a sensuous dance. Small cries of pleasure coming from deep within the throat rill in rhythm to flashing, teasing tongues.

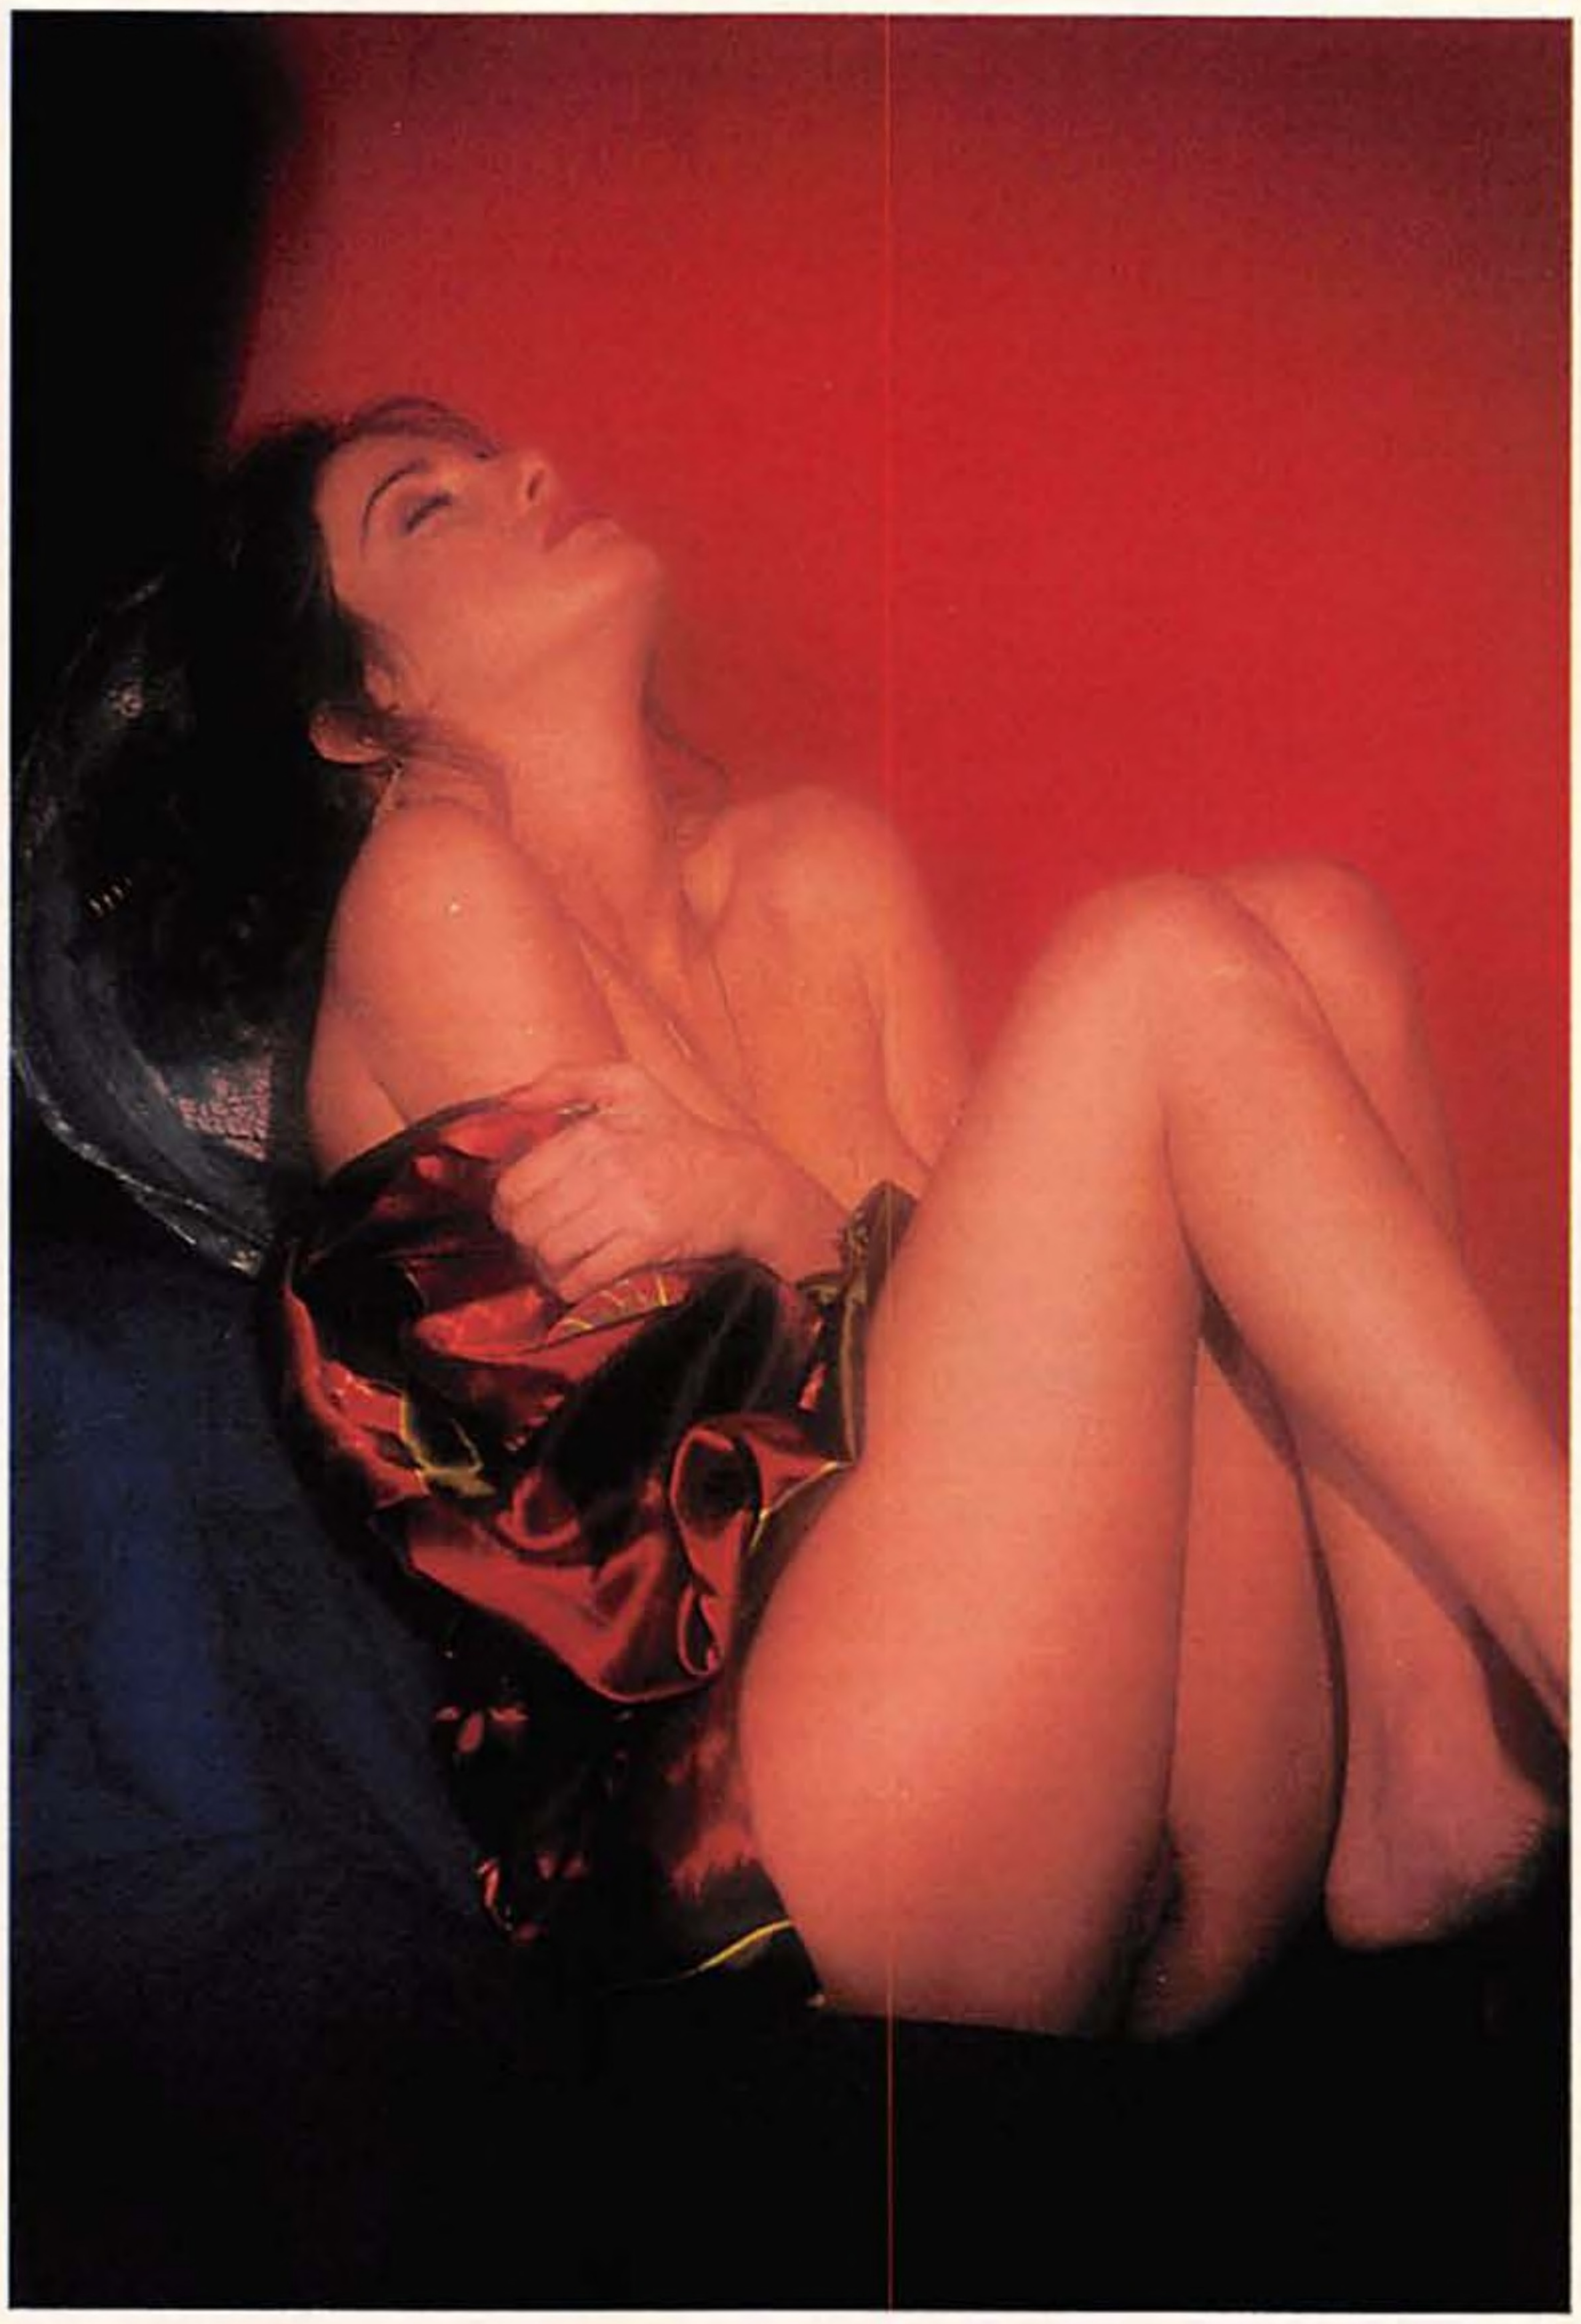
In the early
morning
sky, downy,
soft feathers
brush
together . . .
soaring
with caresses
to the
fleecy, wind-
tossed clouds.



At last, nestled side by side, Laurie and Evelyn preen with memories of feathers and flying with love.



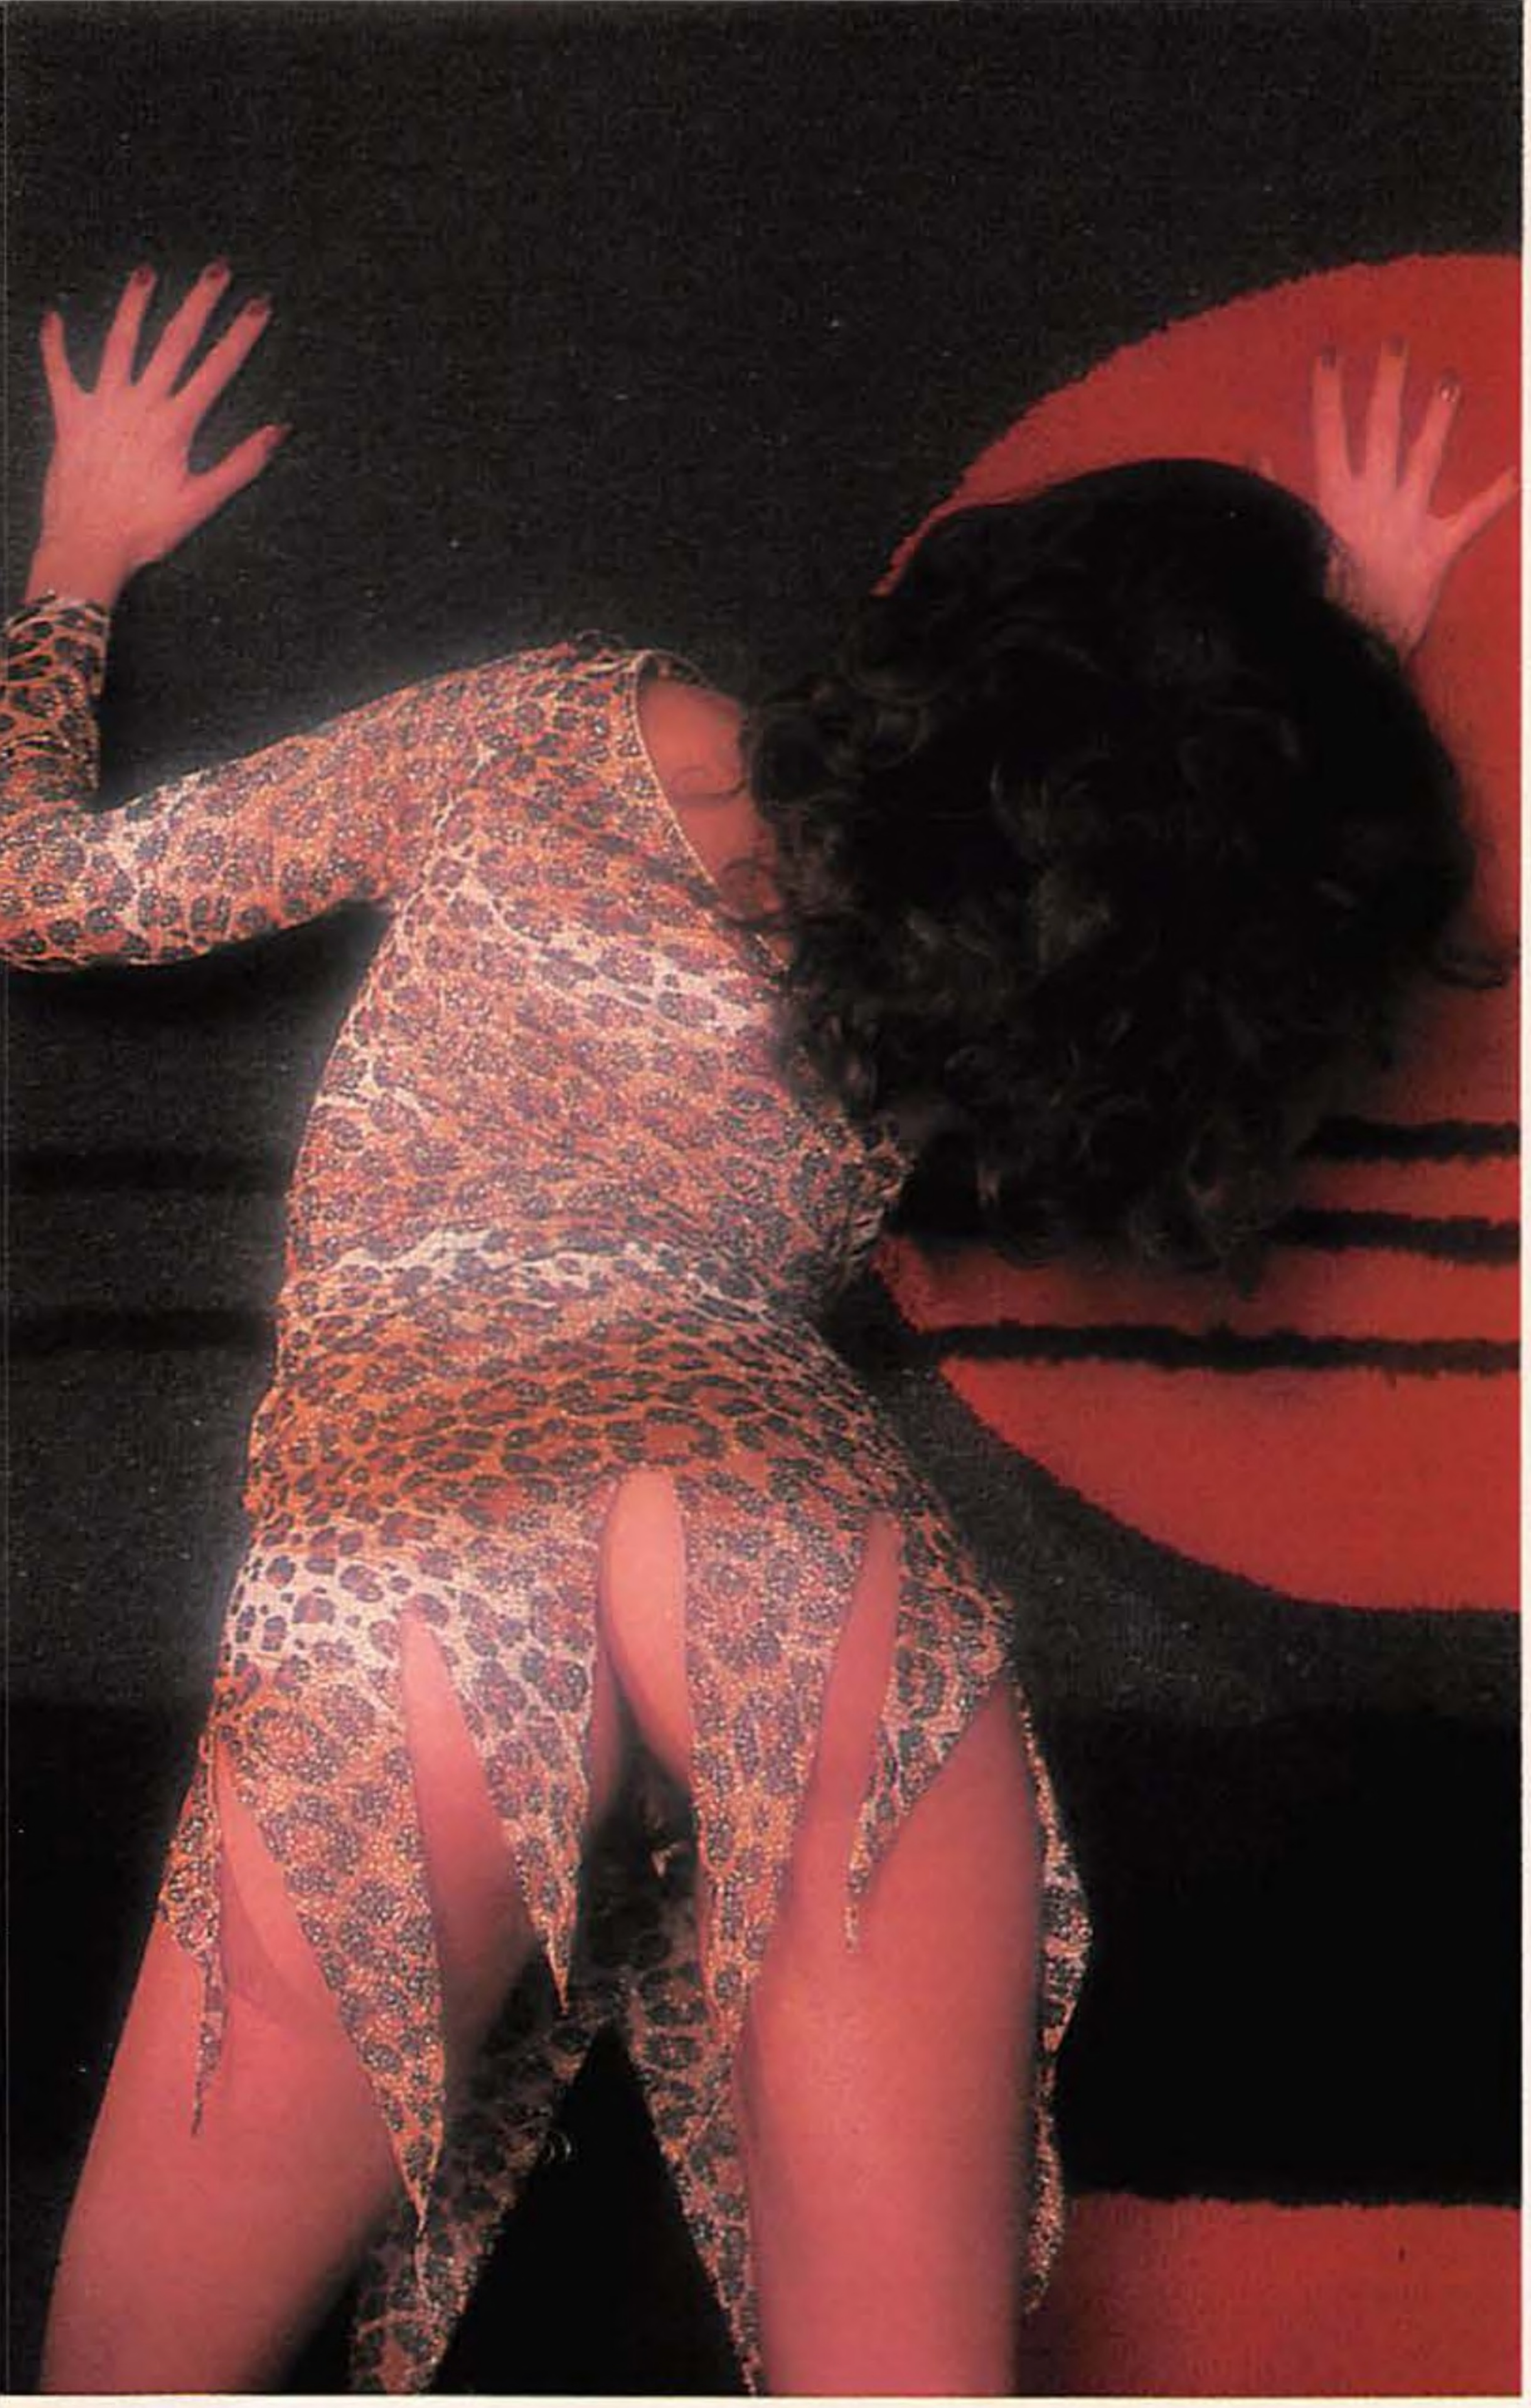
"Before I begin, I'd like to remind all of the married men in the audience that I am a professional. . . . Do not *attempt to try this in your home."*



SANDRA

Beautiful Sandra Estner works for an investment firm, but, she confides, "When I take off my business suits, I like to let my wild side show." Long-legged Sandra daydreams of adventure and is saving money for a photo safari in Africa. "I've worked since being in college and have never traveled."

PHOTOGRAPHS BY EARL MILLER



After a year on Wall Street, the wilds of Africa might seem tame, but Sandra can handle herself in any environment.

Her dark eyes hold
mysteries of their own, but men
who dare to gaze deeply
are met by untamed passion.

Sensuous and intelligent, our swashbuckling stockbroker knows just what she wants. "I love the exotic, wherever I am. And I'm looking for a man who can match my imagination." Sandra, you won't be looking for long.
